

# Online learning that **empowers**

School Programme Information

Department  
for Education

Working in conjunction with

**There is a giant gap in  
education**

**I became the first  
law student of  
Black heritage to  
graduate **top of**  
**Oxford University****

**While school gave me  
good grades, it didn't:**

**Build my **life skills****

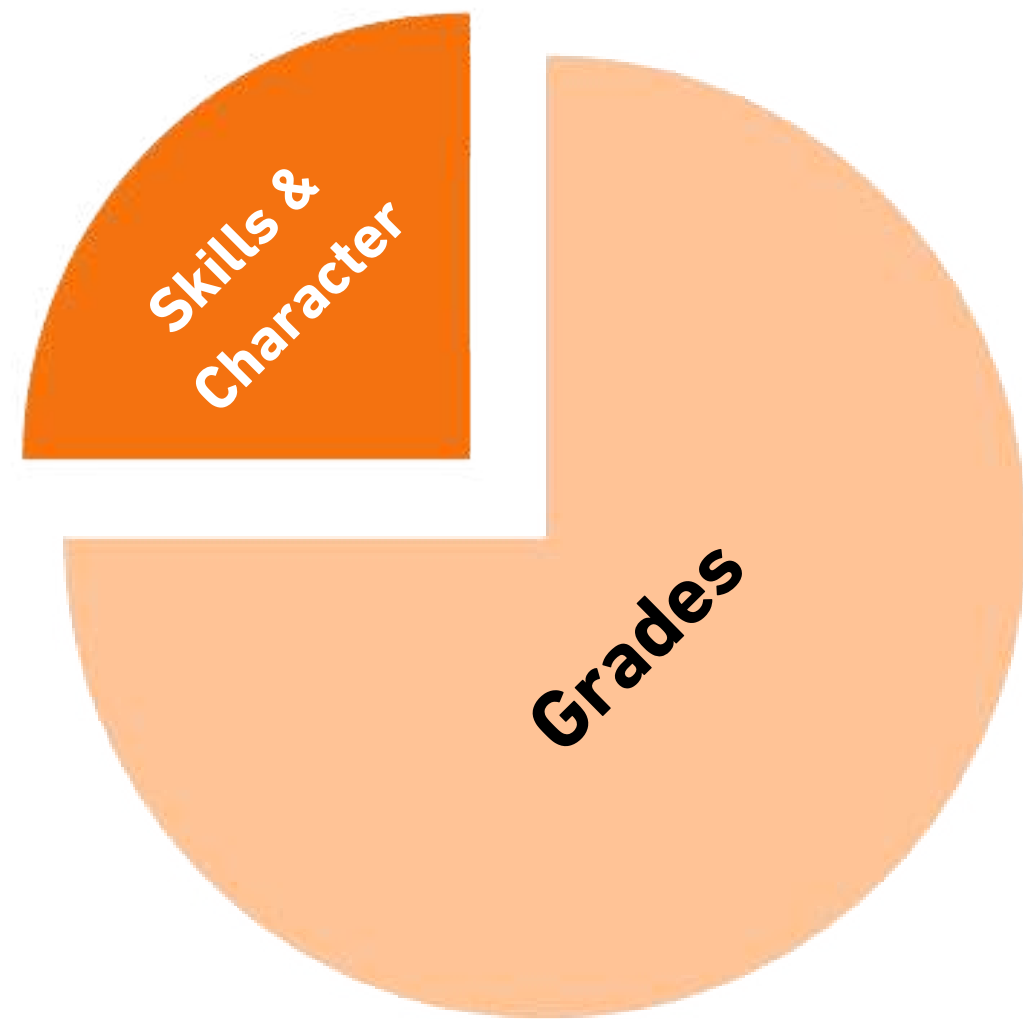

**Develop my **character****

**Inspire me with **role models****

And I'm not alone...

**90% of parents, teachers and employers want school to build grades and life skills**

**87% of pupils do not have a single role model**

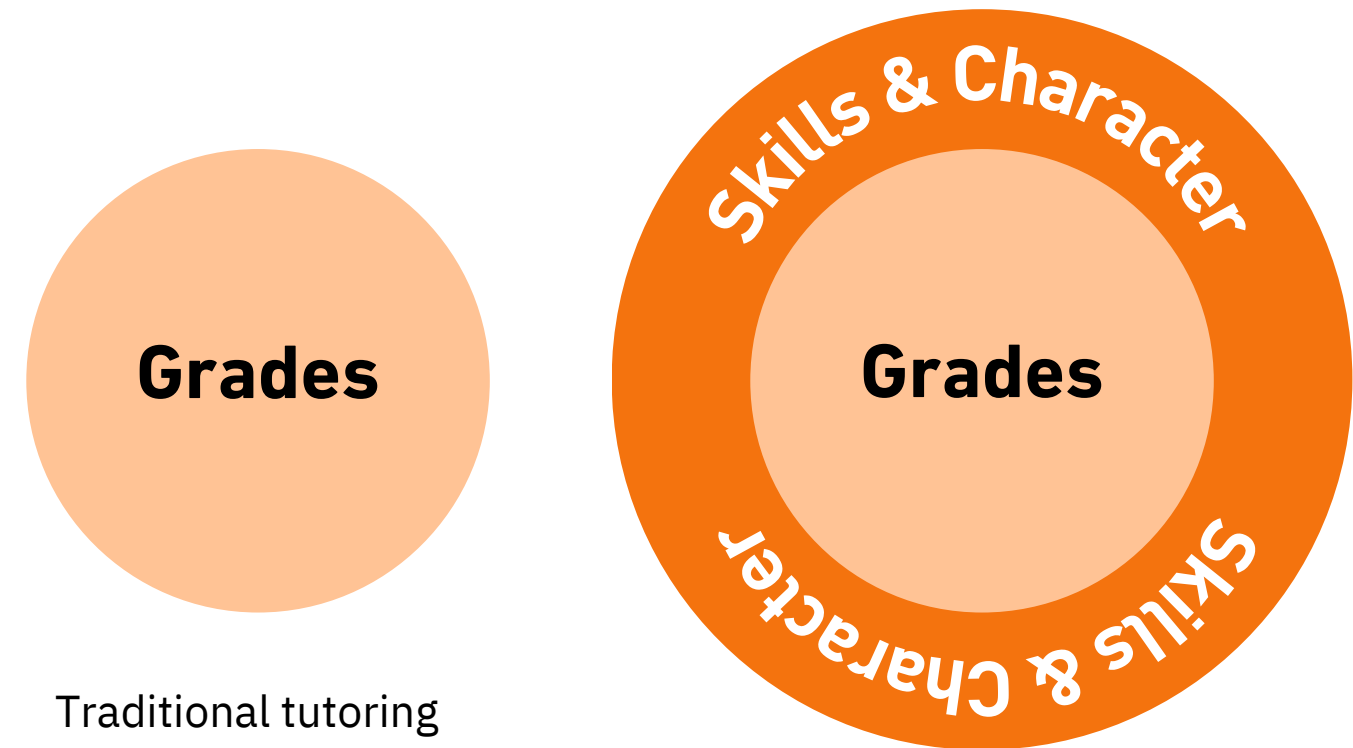

**It required more than simply good grades to succeed - I needed mentors, life skills and empowerment**

The Learners Collective (TLC) is the **modern day evolution of supplementary education:**

- Unique blend of **online academic tutoring with personal-professional mentorship**
- **Near-peer student tutors** from top universities with **inspiring life stories**
- **AI-integrated matchmaking** approach with **human touch**

# It's time to **fill the gap**

\*Average increase in grades for GCSE students over a 15-hour programmes in 23/24

# Mentorship to Empower

Our blended tutoring-mentorship programme is designed to challenge and stretch students - **building confidence in their skills to lead and succeed**

**Advocacy, communication and persuasion**

**Managing conflict and disagreement**

**Overcoming adversity and difficulty**

**Understanding authenticity, discipline and purpose**

**Building relationships and networking**

**Learning from  
someone so  
successful who  
looks like me was  
so powerful**
